# CHAIN Fall Conference Agenda

**Earle Brown Heritage Center**

**September 26, 2018, 12:30 – 4:30 p.m.**

## Objectives:

- Recognize exceptional efforts to reduce healthcare-associated infections and antibiotic resistance in Minnesota through presentation of the CHAIN Award for Excellence
- Hear about approaches for reinforcing appropriate testing for infections
- Engage in an interactive discussion regarding the challenges and opportunities for preventing and treating infections during care transitions
- Explore antibiotic stewardship program implementation and actions across settings of care
